

# Office Memorandum • UNITED STATES GOVERNMENT

TO : C/MS  
Thru : DC/MS  
FROM : C/TSD

DATE: 5 December 1952

SUBJECT: Addendum to Requirements of Medical Office, Department of  
Defense Directive S-6000.1

In addition to the hospitalization support in the Washington area already requested, it would greatly facilitate the work of TSD if liaison could be established with the Surgeon General's Office and the Navy Bureau of Medicine in order to obtain abstracts or photostatic copies of the medical service records of prospective employees who have previously served in the Armed Forces.
